FINANCIAL:

Toni has an updated version of the surplus/deficit statement for us. It's looking like we will have a hefty unencumbered balance at the end of the year. This is a healthy end balance. Right now it looks like it should be \$698,312. Toni will give the board the food service report next month. We did our audit with the National Lunch Program and passed with flying colors.

BUILDING AND GROUNDS:

We had a site visit for window RFP on 3/25/21. There is a roof leak in the gym (3/26/21). Roofing contractor will come in on 4/14/21 (T&M) through Garland Co. On 3/29/21 Greg Hartwell ok'd one hood cleaning per year (kitchen). JP Pest will be coming in on 4/19/21. Bear vs. Dumpster - Bear won! A bear has been getting into the dumpster regularly between 4/9 - 4/11/21. Casella is going to bear proof for us. The oil tank inspection will be on 4/26/21 at 8 am. Our yearly smoke test for the elevator will be 4/27/21. We ordered another 55 gal of vital oxide (usually lasts a month).

Senior Portfolio Defense Presentations and Celebration -

The class of 2021 will pilot the portfolio defense this year. We are making plans to have this become a celebration of learning and a demonstration of what it means to be a graduate who has met the Exit Outcomes of Lisbon Regional School.

Here is an outline of the plans: ● There will be 6 rooms. Each senior advisor and Nikki Woods, who started with two of the seniors, will be in a classroom. ● Each senior will have 30 minutes for the presentation as well as questions and answers. ● In the room will be the student's advisor, 2 other advisors of underclassmen, 3 juniors, and 2 adults of the senior's choosing. ○ The official scoring will be done by the advisors in that classroom. ○ The juniors will score the presentation as practice only, not to be included in the official tally. ○ The other seniors presenting in that room may watch their classmates. ● We will Google Meet other family members into the presentations and the student can record from the Google Meet that the advisor will set up. ● The superintendent as well as School Board members will be invited to attend a presentation or two. Following all of the presentations, there will be cake and drinks in the gym or multipurpose room. Families of the students who present early can wait or leave and come back. There will be entertainment in the gym/multipurpose room, which may include an art show as well as band and choral recorded performances.

Plans for Graduation: Graduation will be on Sunday, June 13 at 2:00 in the gym. The seniors will be in chairs on risers spaced across the length of the gym. We will not use the stage. Family members will be seated in a column of five rows of 2 in front of their graduate. There will be spacing between each family group. Each graduate will have 10 tickets. The ceremony will be live streamed for family and friends. All in attendance will wear masks.

The tickets are not allowed to be given to people outside of the graduates family.
