MOTION MADE BY OWEN CLARK TO NOMINATE BOB ADAMS AS THE VICE CHAIRMAN OF THE BOARD, SECONDED BY STEVE SHERRY. ALL IN FAVOR. APPROVED.

There were questions asked about Fall sports being played this year. Principal Daniels answered that yes, we are planning on having a sports season this year. Tracy Lockwood asked if homeschool students are allowed to participate in school sports. Principal Daniels answered that yes, even if a student is homeschooled they still have the opportunity to play sports at Lisbon, as well as, participate in “specials” classes including art, music, PE, etc. If you choose remote learning it will be through VLACS. It will be some online program that has nothing to do with our teachers here at Lisbon. Samantha Hudson asked the question of what will happen with students that have IEP’s and are doing remote learning. Principal Daniels said that they will continue to hold meetings and such to make sure we are meeting their specialized education plan to the best of our ability. Quarters are nine weeks long, so if a parent chooses to keep their student home, they will have to do so until the end of that quarter. If a parent wants to send their child back to school, they will have the opportunity to come back at the beginning of the next quarter.

We have 72 responses from our survey so far, that’s 81 percent that are planning to return back to face to face learning.
Orientation Week - groups of students are coming in that Mon-Thurs (the last week of August) only one day for a two and a half hour block. Not only to learn the new protocols and what going back to school will look like, but also some mental health stuff. For example in the lower grades that could mean playing games and interacting. Samantha Hudson asked if breakfast and lunch will be eating in the classrooms. In the morning we are looking at staggering arrival times, so that the bus students that get here around 7:15 am, they will go in first to eat, then the students that walk who will arrive next, will have their turn and lastly the students that are dropped off. We will be using multiple spaces for lunches including classrooms, granite benches outside, picnic tables, etc. If a student takes their mask off or refuses to wear their mask on the bus, they will be written up and then not allowed to ride the bus. It will be treated the same on the bus as it will in school.
