

GEAR UP to

Learn!

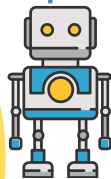

make the most of your study halls! see your gear up coordinator, study for your sat or psat, work on your resume or college application, apply for a job- just use your time wisely!

try something new this fall! check in with your school counselor to see what clubs and sports you can participate in.

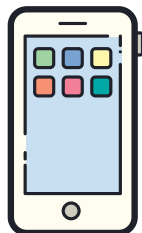

are there extended learning opportunities (ELO) at your school? ELOs are ways for you to earn credit for educational experiences that happen outside of your classroom. ask your GEAR UP Coordinator for more information!

Welcome Back!

please keep practicing safe hygiene habits so we can all stay together. remember to sing your ABCs while washing your hands!
